This mare should be high odds and has a strong power rating. Finished in the back last time - not a terrific sign. This mare faded down the homestretch - not a good omen.

Tough to support any racer that runs as well as she did, then lays up and doesn't workout. This jock and conditioner have a lucrative ROI when they are put together.

1st time starters of this Sire have been sad (118 starts, 8% wins). Martina Rojas has not recorded strong gains with 1st time starters (26 starts, 0% wins, -100% ROI). Tread lightly with this one - connections have been a bit cold when teaming up.

Huber Villa-Gomez's ROI with this horse (+9% ROI) automatically make them a solid contender. Finished in the rear of the field last time - not a great sign. Put forth a nice performance in the last affair.

This questionable contender didn't finish near the top of the field last time out. This colt wilted in the lane - not a positive signal.

☹️Tough to play this animal after the disappointing stretch run in the last event. ☹️Just not worth it - conditioner not winning many races recently. ☹️This runner didn't finish near the front of the field last out.

Can't downgrade the in the money finish last time around the track. This horse didn't finish near the front of the field last time around the track. A racer coming back this promptly after a nice effort is a good omen.

Scott Spieth and Debbie Schaber haven't been a strong team recently. Debbie Schaber has not gotten the best out of this gelding (14 starts, 0% wins). Tough to bet on a horse that loses so frequently.

The tantalizing odds make this horse an inviting wager with such a strong power rating. Difficult to figure this horse winning after finishing near the back last time. Ron G Potts hasn't been winning when putting Ciera Pruitt up aboard.
