Most ponies improve second time out after their first racing experience. Finished in the rear of the field last time - not a great sign. Manuel Mojica Campos hasn't been getting victories when putting Luis Luna Ramirez on a horse.

28May26 300y ft 5 RP - Veterinarian

Definitely a value play with such a good power rating - may payoff big. Cody Rodger Smith and Tyler Stein haven't been an inspiring combo recently. Tyler Stein isn't on a real hot streak lately.

Needs to be considered as Ramiro Haro Garcia has been among the strongest with two year olds (252 starts, 16% wins, + 17% ROI). Dam's 2yo offspring have not shown good dividends (-49% ROI). Don't really like it latest attempt - in the back of the pack.

Have to like that recent effort where he finished strong. Put forth a nice effort in the last race. Recently, this trainer has produced decent dividends for investors (+21% ROI) with horses moving down in class.

⚡Didn't exhibit much willingness during the stretch run last time - be cautious with him. ⚡Not part of the top half of the field in the last race. ⚡With Cristian Alvarado atop this horse, may have to pass on this gelding.

A racer coming back this rapidly after a strong outing is a good sign. An in the money effort last time out. Tough to bet on Daniel P Vergara right now - not enough wins lately.

Counting on this fine animal to run a big race today. Don't really like the most recent effort - in the back of the pack. Ramon A Vazquez and Todd James Jordan just haven't been victorious together lately.

A nice effort in the last race. This jock and handler have a profitable ROI when they work together. Needs to be considered as William N Martin has been among the greatest trainers (+165% ROI) with recent claims.

This filly is in good physical condition - finished strong in last outing. Definitely a value play with such a good power rating - might payoff big. This fine animal ran a nice one last race.
