Most ponies improve second time out after their first racing experience. Finished in the rear of the field last time - not a great sign. Manuel Mojica Campos hasn't been getting victories when putting Luis Luna Ramirez on a horse.

Definitely a value play with such a good power rating - may payoff big. Cody Rodger Smith and Tyler Stein haven't been an inspiring combo recently. Tyler Stein isn't on a real hot streak lately.

Armando Alvidrez should put some money in your pocket with this animal and his power rating. Gamblers may find value with this dam's 2 year old offspring (+ 12% ROI). Jason L Olmstead brings her back again - propose you stick with this magnificent animal.

Needs to be considered as Ramiro Haro Garcia has been among the strongest with two year olds (252 starts, 16% wins, + 17% ROI). Dam's 2yo offspring have not shown good dividends (-49% ROI). Don't really like it latest attempt - in the back of the pack.

🐾Not betting on this one after the last undertaking. 🐾Tough to invest in this horse after the disappointing stretch drive in the last race. 🐾When this jockey and handler are put together you have to take a look.

Give this gelding a good chance - ran a good outing in the last race within a month.

Lost ground in the lane in the last event.

Should run better than hoped for with such a strong power rating - strong long shot play.

A racer coming back this rapidly after a strong outing is a good sign. An in the money effort last time out. Tough to bet on Daniel P Vergara right now - not enough wins lately.

Counting on this fine animal to run a big race today. Don't really like the most recent effort - in the back of the pack. Ramon A Vazquez and Todd James Jordan just haven't been victorious together lately.
