Taylor E Smith and Dustie Crystal perform well when they are put together - strong ROI together. A pony coming back this soon after a sharp outing is a good sign. Won by open lengths last time around the track.

Hit the board in the last race. Have to like that recent race where he ended up strong. Loegan D Harshman brings this gelding back into a race quickly rather than a workout - fit and ready.

This gelding has not run well under John Cox's training (0% wins). This gelding is in good physical condition, having run a strong race last time out. He doesn't have the winning nature, tough for him to obtain it today.

⚡This mare runs very well under Margie Cantrell's training. ⚡Don't really like the recent effort - in the back of the pack. ⚡Taylor E Smith and Margie Cantrell perform well when they are put together - strong ROI together.

This mount ran a nice one last time out. Jose Elias Rodriguez and Scott A Merrill just haven't been winning together lately. This filly is entered right back into a race so quickly - she's fit and ready.

That last effort must not have been hard on this horse for him to come back quickly. Diego Guerrero has not recorded strong dividends with this horse. A pony coming back this quickly after a sharp race is a good omen.

☹Jockey and handler haven't had much recent luck together. ☹Not investing on this horse after the last try. ☹This entrant is very ready right now - Dennis Hurley brings him right back.

☹This gelding is entered right back into a race so quickly - he's fit and ready. ☹Tough to bet on this one after the disappointing stretch drive in the last race. ☹This animal has no victories in his last ten races.
