When Jaime E Lopez and Dustie Crystal work together - the ROI has been fabulous. This steed didn't finish near the front of the field in the last race. May have to skip this one - jock hasn't had the best of luck in recent times.

This gelding is back soon - sprint horses that come back quickly are generally good plays. This jock is on a chilly streak. Last event doesn't restore much confidence.

This race horse ran a nice one last time. This less than sharp equine hasn't won in his last ten attempts - he's probably not worth the value today. Invest in this angle - coming back off a strong race within the last thirty days.

Very hot horse keeps right on winning. Make this gelding a contender - he comes off a sharp race. Jake Samuels and Tucker Stillwell perform well when they combine forces - strong ROI together.

Always a smart play to bet sprinters that make a rapid turnaround. The addition of wraps last out is usually a sign of waning form. Flattered down the lane last time out - may do the same thing today.

⚡This jockey is on a cold streak. 🐾Nice race last time, but the fact that there are no workouts since has to make one leery. 🐾This animal's handler hasn't been winning often recently.

This fine animal should be motoring down the lane. Tough to figure this animal winning after finishing in the back of the pack last time. He doesn't have the winning temperament, tough for him to capture it today.
