Didn't display much intestinal fortitude during the stretch run last time - be cautious with him. Finished in the second half of the field last time - not a terrific sign. With Angel Castillo riding this equine, may have to let go of this gelding.

Handler is on a bit of a cold streak - hard to back. Don't really like the most recent undertaking - in the back of the pack. Historically, this trainer has not shown a good ROI (-100%) when trying horses at a route of ground.

Put forth a good performance in the last affair. When Frankie Pennington and John T Kirby work together - the return on investment has been fantastic. She doesn't have the winning spirit, tough for her to find it today.

⚡ This gelding should give a strong showing of himself in today's event. ⚡ Last race doesn't encourage much confidence. ⚡ Tough to play this horse after the disappointing stretch drive in the last event.

☹️Late, this jockey just doesn't seem to be able to buy a win. ☹️The stretch display in the last race leaves much to be desired. ☹️Don't really like the latest try - in the back of the pack.

Jockey and trainer haven't had much recent good luck together.

HAVE to be leery with animals trained by Stephen Hamilton right now - on a bit of a cold streak.

Can't make a habit of betting on ponies that rarely win.

Hasn't scored a victory recently - not worth it on this horse today.

Lost ground down the homestretch in the last affair.

Don't really like the most recent attempt - in the back of the pack.

Always like to make a play on any mount with a top power rating at a good price. This jock and handler have a favorable ROI when they team up. This pony coming off a strong race in the last month is definitely live.

Have to be on the alert for this horse in this affair. This is a racer that just doesn't win - can't play him. Flattered in the stretch last race out - may do more of the same.

This gelding is in good form, having run a nice race last time out. Fits well here based on Susan L Crowell's solid results with horses claimed lately. May have to skip this horse - trainer hasn't had the best of luck within the recent past.

Not investing on this one after the last effort. Fits well here based on Esteban Padilla's very stong results with horses claimed over the last month. Conditioner has had a hard time winning races of late.

Good power rating - probable odds underestimate this gelding's chances - strong price play. Hasn't scored a victory recently - not worth it on this animal today. Rider hasn't had the highest win percentage as of late - may have to skip.
