⚡ Trainer Daniel Velazquez has not had much success with this mare (25 starts, 4% wins). ⚡ Can't make a habit of betting on ponies that rarely win. ⚡ Finished in the back last time - not a promising effort.

This jockey/trainer duet has a favorable ROI. Lately, this jockey just doesn't seem to be able to buy a win. The stretch try in the last affair leaves much to be desired.

This filly's jockey hasn't been getting too many wins over the last month. The jockey and handler duo have a beneficial return on investment when they unite. Tough to play this filly today - handler on a down cycle of late.

Tough to bet on a pony that loses so frequently. Susan L Crowell hasn't been getting wins when putting Yan Rodriguez up aboard. Don't see her as a sure thing after that last affair.

Tread lightly - try just wasn't good enough last out. A horse coming back this quickly after a nice effort is a good signal.

⚠️ This trainer has done competitively these days (26% wins) with horses claimed. ⚠️ Finished in the back of the pack last time - not a promising effort. ⚠️ Didn't show much willingness during the stretch run last time - be cautious with him.

Tread lightly with this one - connections have been a bit cold when teaming up. Lately, this jockey just doesn't seem to be able to buy a win. This gelding is in good physical condition, having run a strong race last time out.

⚡ Finished in the second half of the pack last time - not a great sign. ⚡ Tough to play this horse with this conditioner's lack of recent good fortune. ⚡ Jockey doesn't have the best winning percent within the recent past.

Could be right there at the finish based on respectable results of the trainer (68 starts, 26% wins) with recent claims. An able entrant that's been running well, but she's been missing in the mornings recently. The combination of Kendrick Carmouche and E Padilla-Preciado isn't on track recently.

Trainer has not produced the best results in this group of the horses in this race (7% wins) with recent claims. Kendry Rivera and Kathleen A Demasi perform well when they are put together - strong ROI together. Can't make a habit of betting on ponies that rarely win.
