 Have to love that latest outing where she finished strong. Trainer has not produced the best results in this group of animals (5% wins) with recent claims. Recently, this trainer has not produced good gains when moving horses up in class (34 starts, 6% wins, -62% ROI).

⚡Tough to play this mare today - handler on a down cycle over the last month. ⚡With the impressive Jockey/Horse combo (12 starts, 25% wins) players should feel comfortable with this choice. ⚡When this rider and conditioner unite you have to take a look.

Tough to play this equine with this handler's lack of recent good fortune. Not making a bet on this animal after the last effort. This questionable contender will have a tough go today - he just doesn't win very often.
