Trainer has had a hard time winning races lately. Turf starters by this Sire have not shown good gains (9% wins -39% ROI). The jock and conditioner duo have a profitable return on investment when they work together.

⚡Faltered down the lane last out - may do it again today. ⚡Don't see him as a sure thing after that last race. ⚡The experience from his first outing should prove instrumental in this race.

George Papaprodromou has shown above average profits with recent claims (+35% ROI). Have to like that latest effort where she ran strong. She doesn't have the winning state of mind, tough for her to find it today.

This jock/trainer pair has a beneficial return on investment. Diego A Herrera hasn't been burning up the track recently. Definitely a long shot bet with such a good power rating - may payoff big.

⚡Tread lightly with this animal - connections have been a bit cold when teaming up. ⚡This gelding's rider hasn't been getting many wins within the recent past. ⚡His Dam's foals have done strongly (6 starts, 33% wins) with going to the post for the first time.

Don't dismiss the in the money finish last time out. This gelding is in excellent physical condition right now - finished well. This gelding should go off at high odds and has a strong power rating.

Take a risk on this long shot with one of the best power ratings - probable odds will be right. Sire's offspring have not shown good gains on the grass (9% wins, -36% ROI). Tough to play this gelding today - conditioner on a down cycle recently.

Don't really like the recent effort - in the back of the pack. The combination of Tiago Josue Pereira and Isidro Tamayo isn't on track lately. Most ponies get better in the second start after their first outing.

👍This filly runs strongly under Simon Callaghan 's training. 👍Have to wager on her if she goes off at high odds with such a strong power rating.

👎 Could be tough to bet on after that last stretch performance. 👎 Didn't finish near the front of the field last race - might have to expect the same result.
