Armando Aguilar and Mark Rheinford perform well when they work together - strong ROI together. Tough to play this mare today - trainer on a down cycle lately. Hard to play any animal that cannot even score one time in her last ten races.

Jock and conditioner haven't had much recent success together. May have to let go of this animal - conditioner hasn't had the best of luck over the last month. This mare has not run well under Genaro Vallejo's training (0% wins).

 Dam's turf statistics support this choice (42 starts, 24% wins, +7% ROI). This jock/handler duo has a lucrative return on investment. Fits well here based on Hector O Palma's solid results with horses claimed lately.

Can't win big without betting price horses - take a stab with such a good power rating. This rider/handler combo is cold right now - not a high win percentage together. Dam's turf offspring have not produced good returns (21 starts, 5% wins, -91% ROI).

Turf starters by this Sire have not shown good gains (3% wins -88% ROI). May have to pass on this horse - rider hasn't had the best of luck lately. Tough to play this colt today - conditioner on a down cycle recently.

Was rock solid last race. This jock/conditioner duo has been producing a very favorable ROI. Have to be leery with horses trained by Mark Rheinford right now - on a losing streak.

Can't make big money without betting price horses - worth a chance with such a good power rating. Don't see her as a sure thing after that last race. Didn't exhibit enough fighting spirit in the home stretch last time.

Tread lightly - attempt just wasn't enough last race. Went in reverse down the homestretch last out. Turf starters out of this Dam have shown really strong returns (21 starts, +7% ROI).

Mark Glatt can make a nifty score with this horse. Nice power rating. Finished in the second half of the field last time - not a terrific sign. Sire's offspring have not shown good dividends on the grass (8% wins, -56% ROI).
