This rider/conditioner tandem has a strong return on investment together. Make this fillly a serious competitor - she comes off a sharp outing. Have to bet on her if she goes off at high odds with such a strong power rating.

Always love to invest on any animal with a top power rating at a good price. Kyle Frey and Lorenzo Campuzano haven't been an inspiring combo lately. This trainer has done sad in recent times (-100% ROI) with horses daimed.

Second start - horse will mature off of the last one. A racer coming back this rapidly after a solid effort is a good omen. The public could miscalculate his chances; rates well on power rating.

Numerous positive 'vibrations' attached to this horse and his stable. Finished in the second half of the field last time - not a ringing endorsement. This gelding wilted in the homestretch - not a good omen.

With a 1st time starter, look at dam stats - this one's runners have been winning at a nice rate. This is a first-time-starter with a trainer who is great taking horses out for the first time. This colt may be live today - trainer can get a 1st time starter to score.

Turf starters out of this Dam have not shown good profits (29 starts, 7% wins, -77% ROI). Strong return on investment for this jock and conditioner duo. Don't really like the most recent undertaking - in the back of the pack.

Over the last month, this jockey has not shown good gains (-100% ROI) with first time entries (21 starts, 0% wins, -100% ROI). His trainer has not done well (27 starts, 4% wins) with entries going to the post for the first time. With a first-time-starter, look at dam stats - this one's runners have been winning at a nice rate.

Conditioner is on a cold streak - hard to support. Farmers Wife has not recorded strong dividends (0% wins, -100% ROI) with first asking starters. The jock and handler duo have a lucrative ROI when they unite.
