Always love to invest on any animal with a top power rating at a good price. Kyle Frey and Lorenzo Campuzano haven't been an inspiring combo lately. This trainer has done sad in recent times (-100% ROI) with horses daimed.

Second start - horse will mature off of the last one. A racer coming back this rapidly after a solid effort is a good omen. The public could miscalculate his chances; rates well on power rating.

Numerous positive 'vibrations' attached to this horse and his stable. Finished in the second half of the field last time - not a ringing endorsement. This gelding wilted in the homestretch - not a good omen.

With a 1st time starter, look at dam stats - this one's runners have been winning at a nice rate. This is a first-time-starter with a trainer who is great taking horses out for the first time. This colt may be live today - trainer can get a 1st time starter to score.

Don't really like the last attempt - in the back of the pack. This rider/trainer combo is off kilter right now - not a high win percentage together. Turf starters out of this Dam have not shown good returns (16 starts, 6% wins, -83% ROI).

This race horse ran a nice one last time. When this rider and conditioner unite you have to take a look. This filly is in nice form - ran strong in last outing.

Last time this filly finished on the board. Emisael Jaramillo and Doug F O'Neill perform well when they are put together - strong ROI together. A racer coming back this promptly after a solid contest is a good signal.

Over the last month, this jockey has not shown good gains (-100% ROI) with first time entries (21 starts, 0% wins, -100% ROI). His trainer has not done well (27 starts, 4% wins) with entries going to the post for the first time. With a first-time-starter, look at dam stats - this one's runners have been winning at a nice rate.

The expected odds make this horse a strong play with such a strong power rating. Back peddled in the homestretch last race out. Didn't finish in the top half of the field last event - might have to expect the same.
