This horse runs strong under Teresa M Pompay's training. Absolutely one of the value wagers in this race given the power rating. Can't make a habit of betting on horses that rarely win.

Trainer is on a losing streak - hard to back. Aldana Spieth has solid numbers with this horse that point to a strong contender. Jack hasn't had the greatest win percentage as of late - may have to take a pass.

Trainer has had an awful time winning races over the last month. Trainer Michael Dini has not had much success with this mare (12 starts, 8% wins). Lately, this jockey and handler haven't been winning when they combine forces.

Will run better than hoped for with such a strong power rating - very strong value play. Jockey hasn't had the highest win percent lately - may have to take a pass. Wilted in the homestretch last out - may do the same.

This mare is in excellent form right now - ended up well. Charlie Marquez and M Anthony Ferraro haven't been a winning team lately. Have to be leery with mounts trained by M Anthony Ferraro right now - on a losing streak.

The attractive odds make this one an inviting bet with such a strong power rating. Jon G Arnett has sharp numbers with this gelding that point to a very strong contender. May have to let go of this animal - trainer hasn't had the best of luck recently.

Didn't finish near the front of the field last affair - might have to expect more of the same today. Handler is on a cold streak - hard to encourage. This gelding has not run well under David VanWinkle's training (0% wins).

May have to let go of this one - jock hasn't had the best of luck of late. Tough to figure this one winning after finishing in the back last time. Dam's offspring have shown strong returns on the grass (22 starts, 32% wins, +7% ROI).

Jose A Batista and Ramon Davila Aguayo perform well when they team up - strong ROI together. Rider doesn't have the best win percentage within the recent past. Have to like that last race where she finished strong.
