James Canegata has an excellent ROI (+29%) with this horse. Finished in the second half of the pack last time - not a great endorsement. This gelding gets a boost with Ricardo Feliciano in the irons.

May have to skip this animal - handler hasn't had the best of luck recently. The stretch performance in the last race leaves much to be wished for. Didn't finish in the top half of the field last event - might have to expect more of the same today.

This horse hasn't won in his last ten tries - he's probably not worth the value today. Trainer/Horse combination leaves much to be desired (26 starts, 8% wins, -28% ROI). The stretch performance in the last affair leaves much up in the air.

When Luis Alberto Batista and Marco Ibarra work together - the return on investment has been wonderful. Tired down the stretch in the last race. Hard to figure this horse winning after finishing at the back of the pack last time.
