⚡ Tough to play this horse after the disappointing stretch drive in the last race. 🐾 Jose Orantes has strong numbers with this gelding that point to a sharp contender. 🐾 Hard to play this gelding today - rider's winning percent as of late has been lackluster.

This Sire's offspring have been inconsistent in their first contest (63 starts, 8% wins). The jock and handler duo have a positive return on investment when they work together. Feel free to miss a chance with this horse given the poor jockey numbers with 1st time starters (29 starts, 7% wins).

Tough to figure this animal winning after finishing near the back of the pack last time. II George R Arnold hasn't been winning when putting Gabriel Saez in the saddle. Have to be leery with entries trained by II George R Arnold right now - on a losing streak.

Have to place a wager on him if he goes off at high odds with such a strong power rating. Michael A Tomlinson has very solid numbers with this gelding that point to a sharp contender. The combination of Danny Sheehy and Michael A Tomlinson isn't on track lately.

Jockey hasn't had the greatest winning percent recently - may have to give a pass. Conditioner is on a chilly streak - hard to support. This colt faded in the homestretch - not a positive.
