This gelding gets a boost with Manuel Americano in the saddle. Trainer has produced the most competitive results in this group of contenders (38 starts, 29% wins) with horses looking for an easier spot. This gelding faded down the homestretch - not a good omen.

When this jock and trainer are put together you have to take a look. Trainer Jr Jose Silva has this gelding ready to roll. Good team. Tough to bet on this animal after the disappointing stretch run in the last affair.

👉Definitely a value bet with such a good power rating - may payoff big. 🐾This less than stellar equine didn't finish near the front of the field in the last race. 🐾When Silvio Ruiz Amador and Kendra S Lyons team up - the return on investment has been fabulous.

Put forth a strong effort in the last affair. Didn't exhibit much courage during the stretch run last time - be cautious with him.

Tough to play this horse after the disappointing stretch run in the last race. Not making a wager on this horse after the last undertaking. This gelding runs competently under Sergio Barrio's training.

Have to be leery with horses trained by Jorge Duarte-Noriega right now - on a losing streak. Recently, this rider and handler haven't been winning when they join forces. Don't really like the last attempt - in the back of the pack.

Tough to bet on a horse that loses so frequently. This gelding has not run well under Alex J Torres-Casas's training (6% wins). Blake Nunnally and Alex J Torres-Casas haven't been a strong team lately.

This filly should go off at a nice price and has a strong power rating. ⚠️Just not a worthwhile play - conditioner not winning many races in recent times. ⚠️With Kiaman McGregor riding this horse, may have to skip this filly.
