Can't make big money without betting high-priced horses - worth a stab with such a good power rating. Kristy Petty has the most competitive data in this group of horses with starters moving down the class ladder (21 starts, 33% wins, +2% ROI). This gelding is entered right back into a race so quickly - he's fit and ready.

Didn't finish near the front of the field last event - might have to expect more of the same today. Didn't show much intestinal fortitude during the stretch run last time - be cautious with him. This jockey/conditioner twosome has a strong return on investment together.

Not making a bet on this animal after the last effort. Tough to invest in this horse after the disappointing stretch drive in the last affair.

Jockey's recent ROI stats (8 starts, +54% ROI) with this filly make a decent wager. This filly is entered right back into a race so quickly - she's fit and ready. Hard to figure this animal winning after finishing at the back last time.

With Kyle Gilbert atop this animal, may have to pass on this mare. Didn't show much courage during the stretch run last time - be cautious with her. Have to be leery with entries trained by Crystal Richison right now - on a bit of a cold streak.

Trainer M Joanna Boggs has not had much success with this mare (12 starts, 8% wins). Jockey and trainer haven't had much recent luck together. Can't make a habit of betting on ponies that rarely win.

Trainer/Horse combination leaves much to be desired (12 starts, 0% wins, -100% ROI). Just not a worthwhile play - conditioner not winning many races in recent times. Tough to bet on a horse that loses so frequently.

Maximo Chilo and Linda P Conn haven't been a strong team lately. Didn't show much fortitude during the stretch drive last time - be cautious with her. This less than stellar equine didn't finish near the front of the field last race out.

Conditioner has had a tough time winning races lately. With Kyle Gilbert atop this equine, may have to skip this filly. Rider and conditioner haven't had much recent good luck together.

Players may be making a very risky move with this jockey given his record working with a 1st time starter (27 starts, 4% wins, -84% ROI). Have to really like the sire stats on this one for first time starters.

⚠️This is a horse that just doesn't win - can't play her. ⚠️Have some doubts when any equine has wraps added in the last race. ⚠️Tread lightly with this animal - connections have been not in sync when teaming up.

This jock/handler combo is not in sync right now - not a high winning percentage together. This horse's handler hasn't been getting wins often lately. Joseph Pyke has not gotten the best out of this gelding (35 starts, 6% wins).

Bobby L Barber can make a nice score with this noble animal. Nice power rating. Tough to play this horse with this trainer's lack of recent luck. Didn't show much intestinal fortitude during the stretch run last time - be cautious with him.

This less than stellar equine hasn't won in his last ten tries - he's probably not worth the value today. Finished in the back half of the field last time - not a great sign. Didn't display enough heart in the stretch drive last time.

Don't see him as a sure thing after that last clash. This gelding has not run well under August R Martin's training (5% wins). Faded down the lane last time around the track - may do the same thing today.

⚠️Didn't finish in the top half of the field last race - might have to expect more of the same today. ⚠️This was a live horse, but now this one hasn't been doing anything in the morning.

⚠️Sprinters that come back to the races quickly are generally good plays. ⚠️Tough to play this gelding today - handler on a down cycle these days. ⚠️The enticing odds make this animal a nice wager with such a strong power rating.

Several positive 'vibrations' joined to this campaigner and his connections. Tread lightly with this one - connections have been a bit cold when teaming up. Don't see him as a sure thing after that last race.
