Hard to play this filly today - jockey's win percent recently has been lackluster. Handler hasn't had the top win percent recently - have to give a pass.

Wager on this angle - coming back off a sharp race within the last thirty days. This gelding should go off at a nice price and has a strong power rating. Historically, this trainer has not shown a good ROI (-65%) moving horses from the dirt to the turf.

Sofia Vives and Jr Whitney J Zeringue just haven't been winning together recently. Feel free to skip by this entry given the poor jockey numbers with 1st time starters (25 starts, 4% wins). May have to let go of this animal - handler hasn't had the best of luck in recent times.

⚡Folded in the stretch drive last race out. ⚡Hard to play this colt today - jock's winning percentage recently has been lackluster. ⚡Conditioner has had a tough time winning races recently.

| Play this angle - coming back off a nice outing within the last 30 days. The combination of CJ McMahon and Allen Landry isn't on track lately. Don't really like the last attempt - in the back of the pack. |                                                                                                                                                                               |                                                                                                           |                                 |

☹️Last out this race horse put forth a valiant effort. ☹️Declan Cannon hasn't been burning up the track in recent times. ☹️The rider and trainer duo have a positive ROI when they partner up.

☹️Expecting this mount to run a good race this time out. ☹️Jockey and conditioner haven't had much recent luck together. ☹️Hard to wager on these non-winning types on the win end.
