This animal has no victories in his last ten races. Handler is on a chilly streak - hard to encourage. Didn't show enough courage down the stretch last time.

Could be tough to invest in after that last stretch drive. This mount ran a nice one last race. This filly is in fine physical condition - ended up strong in last outing.

Definitely a long shot bet with such a good power rating - may payoff big. Jock and handler haven't had much recent luck together. Tough to play this filly today - trainer on a down cycle over the last month.

Just not a worthwhile play - conditioner not winning many races recently. Tread lightly with this one - connections have been a bit cold when teaming up. Horses from this sire don't often win first time on the track.

May have to pass on this one - jockey hasn't had the best of luck lately. This less than stellar equine didn't finish near the top of the field last time out. Trainer's recent ROI figures (+345%) with this mare make a quite good bet.

Lately, this jock and handler haven't been winning when they team up together. Don't really like the recent effort - in the back of the pack. With Harry Hernandez riding this animal, may have to pass on this gelding.

Always like to place a bet on any horse with a top power rating at a good price. Recently, this jock and handler haven't been winning when they team up together. Tough to play this horse with this conditioner's lack of recent good fortune.

Didn't finish near the front of the field last race - might have to expect the same today. Tough to play this horse with this conditioner's lack of recent good fortune. Wilted in the stretch drive last race out.

⚡This filly is back soon - sprinters that come back quickly are generally good plays. ⚡Was very solid last race. ⚡This racer coming off a solid effort in the last 30 days is definitely live.

Don't really like the most recent undertaking - in the back of the pack. Tough to play this filly today - handler on a down cycle these days. Trainer information with horses off the long layoff have not been good (34 starts, 9% wins, -70% ROI).

This gelding has not run well under McLean Robertson's training (5% wins). Didn't finish near the front of the field last affair - might have to expect the same result today. Can't make a habit of betting on ponies that rarely win.

Flattered down the lane in the last race - may do the same thing. Finished in the second half of the field last time - not a terrific sign. Lately, this rider and handler haven't been winning when they team up together.

Give this gelding a good shot - ran a nice contest last race out within a month. This jock/conditioner tandem has a favorable ROI. Don't skip by this gelding in your prime wagers as Kim A Puhl knows how to get this horse ready.

Hard to figure this one winning after finishing near the back of the pack last time. Don't skip this gelding in your bets as Boyd Caster knows how to get this horse ready. Didn't exhibit much willingness during the stretch drive last time - be cautious with him.

This rider and handler's horses have been producing a positive return on investment. Could be right there at the finish based on quite good results of the trainer (58 starts, 24% wins) with recent daims.

Tread lightly - effort just wasn't enough last out. Horses off the layoff from this trainer's barn have not produced the best returns in this group of horses (29 starts, -81% ROI). Tough to play this horse with this handler's lack of recent success.
