Don't see her as a sure thing after that last dash. Just not worth playing - conditioner not winning many races within the recent past.

Just not a worthwhile play - conditioner not winning many races recently. Tread lightly with this one - connections have been a bit cold when teaming up. Horses from this sire don't often win first time on the track.

May have to pass on this one - jockey hasn't had the best of luck lately. This less than stellar equine didn't finish near the top of the field last time out. Trainer's recent ROI figures (+345%) with this mare make a quite good bet.

Lately, this jock and handler haven't been winning when they team up together. Don't really like the recent effort - in the back of the pack. With Harry Hernandez riding this animal, may have to pass on this gelding.

⚠Tough to play this animal with this trainer's lack of recent success. ⚠Trainer/Horse combination leaves much to be desired (6 starts, 0% wins, -100% ROI). ⚠Didn't finish near the front of the field last affair - might have to expect more of the same.

⚡ Don't really like the most recent try - in the back of the pack. ⚡ This filly faded down the homestretch - not a positive sign. ⚡ Recently, this rider and conditioner haven't been winning when they join forces.

This jock/trainer combo is cold right now - not a high win percent together. Trainer/Horse combination leaves much to be desired (7 starts, 0% wins, -100% ROI). Rider hasn't had the greatest winning percent as of late - may have to skip.

This gelding is entered right back into a race in less than 10 days - positive sign. May have to let go of this one - trainer hasn't had the best of luck recently. Have to be worried that this less than stellar equine added wraps last out.

Filtered down the lane in the last race - may do the same thing. Finished in the second half of the field last time - not a terrific sign. Lately, this rider and handler haven't been winning when they team up together.

Ingrid Mason can make a nifty score with this magnificent animal. Nice power rating. Just not worth playing - handler not winning many races of late. Don't like the plain fact that front wraps were used last race.

Tread lightly - effort just wasn't enough last out. Horses off the layoff from this trainer's barn have not produced the best returns in this group of horses (29 starts, -81% ROI). Tough to play this horse with this handler's lack of recent success.

No substitute for experience - watch for an improved performance in the second outing. This horse's handler hasn't been getting wins often lately. This less than stellar equine didn't finish near the front of the field last time around the track.

Tough to play this filly today - handler on a down cycle of late. Sire's offspring have not hit the track with much good fortune in first-time efforts. Erick Medellin hasn't been on fire these days.
