Trainer is on a chilly streak - hard to support. Didn't finish near the top of the field last race - might have to expect the same result. This pony hasn't won in his last ten tries - he's probably not worth the value today.

Silvio Ruiz Amador and Jon Phil Zimmerman just haven't been clicking together recently. May have to let go of this one - trainer hasn't had the best of luck in recent times. Last event doesn't bolster much faith.

Have to be worried that this racer added front wraps last time out. Faded in the homestretch last out - may do the same thing today. Trainer hasn't had the top win percent recently - have to skip.

Mark this filly a serious competitor - she comes off a strong outing. The combination of Jose Mariano Asencio and Jennifer Nunnally isn't on track lately. This filly runs sharply under Jennifer Nunnally's training.

This filly is in nice condition - ended up strong in last outing. Was very solid last time. Have to be leery with horses trained by Antonio Soto right now - on a bit of a cold streak.

With the impressive Jockey/Horse combo (10 starts, 40% wins) risk takers should feel comfortable with this selection. This jockey/handler combo is off kilter right now - not a high win percentage together.

Jockey/Horse combination hasn't shown much (6 starts, 0% wins, -100% ROI). Last event was a tightener. Can't make a habit of betting on ponies that rarely win.

Surprise package - the chalk players may miss out on this horse, ranked well on power rating. Recently, this jock and handler haven't been winning when they join forces. Faltered in the lane last time around the track - may do the same thing.

Just not worth betting - conditioner not winning many races within the recent past. This mount ran a nice one last out. Kiaman McGregor's ROI with this horse (+64% ROI) automatically make them a strong contender.

This racer coming off a good contest in the last thirty days is definitely live. Tough to bet on a racer that loses so frequently. Recently, this jock and handler haven't been winning when they get together.

⚡Kiaman McGregor and Ryan Bratcher perform well when they are put together - strong ROI together. ⚡This mare is in nice form, having run a strong race last time out. ⚡Hasn't scored a victory recently - not worth it on this horse today.

This sprinter is back in a race quickly after her last outing - means she's fit. Lost ground down the homestretch in the last event. This pony hasn't won in her last ten attempts - she's probably not worth the value today.

Finished in the rear of the field last time - not a great sign. Back peddled in the stretch in the last race. Doug A Carlson brings this filly back into a race quickly rather than a workout - fit and ready.
